All readings will be on electronic reserve, with the exception of items marked with an asterisk (*). These are available for purchase from the Seminary Cooperative Bookstore (5751 S Woodlawn).

**Course Requirements:** Regular, active attendance at all scheduled meetings is required. Absences will affect your grade. Attendance at weekly discussion sections with the teaching assistant are similarly an integral and required element of the course. Readings should be done thoroughly and carefully before (and, also, it is to be hoped, after) the class in which it is to be discussed. There are two exams: one in-class and one take-home. There may be occasional quizzes, as needed.
