Spring 2001
Lecture Schedule

This is the lecture schedule for the ...rst half of the course. It is a lecture by lecture description of the topics we will cover. The third column contains the appropriate readings for that lecture: LN stands for lecture notes that you can download from the homepage, while V stands for the chapter in Varian. Remember to do the readings before you come to class.

Lecture 01:	Introduction Math Review	LN: 2 V:
Lecture 02:	Scarcity	LN: 3 V:
Lecture 03:	Preferences	LN: 4 V:
Lecture 04:	Utility	LN: 4 V:
Lecture 05:	Utility Maximization Problem Set 1 due.	LN: 5 V:
